RE: COVID-19

3/26/2020

In response to the Minnesota Governor issuing a stay at home order, North Star Aviation, in its commitment to safety, will suspend all flight training operations at 11:59pm CDT on Friday March 27, 2020. We plan to resume operations on Monday, April 13, 2020. This date is subject to change. North Star Aviation will continue to follow the recommendations of the CDC, MDH, Minnesota State University – Mankato, as well as the state, local and federal governments.

The policy dated 3/25/2020 will remain in effect when flight training operations resume.

During this time, North Star Aviation will be minimally staffed.

I urge those affected by this to reach out. Social distancing does not mean isolation. I, along with others, am always available as a resource. Please stay safe during this time. Blue skies are on the horizon.

Sincerely,

Brian Rutt
Safety Manager
